Ashland vs. Nelseco Team.

Tomorrow (Sunday) afternoon the Ashland baseball club plays the New London Ship & Engine Co. team in the last game of their series. Each team has won one. Both teams are confident of winning and something unusual in the baseball line is anticipated by the local fans. New London is coming up strong and as yet have not announced their pitcher but it is rumored that Curran of the Eastern League will oppose the locals. Because of injuries received in last Saturday's game Shawn, the local catcher, will probably be out of the game for the remainder of the season. However, Manager Carpenter of the Ashland club has obtaiend the services of Chase of the State Hospital to catch the remaining games of the season. Chicago 7, Detroit 3.

Detroit, Mich., Sept. 14.—By bunching hits off Mitchell today, Chicage won from Detroit, 7 to 3. Eddie Collins' hitting and base running, and Gandil's stick work were large factors in the victory. Cicotte allowed Detroit only four hits up to the ninth inning, when he eased up and permitted three more.

Chicago scored in the second inning when Veach dropped Jackson's fly, Felsch beat out a bunt and Gandil tripled. In the sixth Eddie Collins doubled to the score board and stole third. Jackson hit to Young, who chased Collins up the line but failed to tag him, Collins scoring, and Jackson reaching third. Jackson scored on Gandil's single.

FEW CHANGES IN 1917 FOOTBALL RULES. Most Important Will Eliminate Conversation Between Substitute and

Minor in character are the few changes in the football rules this year, and they may be told in a few para-graphs. Perhaps the most important changes in the football rules this year, and they may be told in a few paragraphs. Perhaps the most important is one that prevents an incoming substitute from communicating with any of his team on the field until after the first pla. This is intended to bar as much as possible the advice of a coach while the teams are in play and when the situation is a critical one for either side. The new rule, however, has its exception, for if the substitute replaces the quaretrback he is permitted to give his signal. Interference with a man attempting to catch a forward pass has been changed to the loss of the ball to the offended side at the spot of the foul. This replaces the penalty which cost the offending side a certain distance toward its own goal line. The penalties for running into or roughing the kicker are now measured from the spot where the ball was put in play. A place kick has been more clearly defined. It must be made by kicking the ball from its position when resting on the ground. A player may scrape up the earth but may not make use of artificial tees. GIANTS AND WHITE SOX BOOKED FOR BIG SERIES Unless the Unexpected Happens and Runners-up Come Through Clean,

New York, Sept. 14.—New York of the National League and Chicago of the American League will meet in the 1917 world series clash unless the unexpected happens and the runnersup in the two major organizations show greater strength than the leaders during the next three weeks. Tonight New York had a lead of ten
games over Philadelphia in the race
for the national pennant, with St. Louis in third place, virtually out of

it.
Both league leaders will close the season on the road beginning the concluding intersectional clashes this week. New York finishes at Phila-delphia October 4 and Chicago at New

delphia October 4 and Chicago at New York on October 1.
Chicago has been playing better baseball the past two weeks. In their last sixteen games the White Sox have met defeat only once and have now won eight straight games. The Giants in the same period won eight games and lost six, The Boston Americans won eight and lost four and Giants in the same period won eight games and lost six, The Boston Americans won eight and lost four and Philadelphia, second piace holder in the National, broke even in sixteen games. American League leaders started the past week by taking four straight from Detroit. St. Louis was next defeated twice. Cleveland met the White Sox Saturday and fell 2 to 0. Today's game was forfeited to the icaders in the tenth inning. The White Sox last week outscored their opponents by two to one, making 53 runs on 72 hits.

Boston did not do as well as in the previous week, winning only four out of seven. Against New York in four games beginning Labor Day the Red Sox won only one. Later in the week the 1916 champions won three straight from Philadelphia. Cleveland won three and lost one and increased its lead over Detroit, which won one out of six. The Tigers today broke even in two games at St. Louis. New York's play improved and the Yankees took the lead in the second division from Washington.

In the National, early in the week, New York struck a stumbling block in Boston and won but one of the three-game series. In three double headers against Philadelphia's five victout of six. Of Philadelphia's five vic-

headers against Philadelphia on three successive days the Giants took four out of six. Of Philadelphia's five victories, three were won by Alexander, who was victorious in both games on Labor Day against Brooklyn. For the third week in succession Brooklyn engaged in a tie game, playing Philadelphia to a nothing to nothing standstill in fourteen innings on Tuesday. St. Louis managed to win four out of seven but Cincinnait reversed comseven, but Cincinnati reversed com-pletely its form of the previous week, losing the four games it played. Tolosing the four games it played. To-day the Reds lost two games to St. Louis.

Boston and Fittsburgh set the place

Boston and Pittsburgh set the place for the week in the National. The Praves won six out of nine, two of their victories being over New York, three over Brooklyn and one over Philadelphia. Early in the week the Pirates surprised the Reds by taking four straight games, the first time this season the Pittsburgh string of victories has reached that figure. At the close of the week the National tailenders lost two rames to Chicago and lost two games to Chicago and began the new week with a 1 to 0 defeat at the hands of the same club. By its victory Chicago went to a tie with Cincinnati for fourth place.
